

The University of Vermont

Presentation to the House Committee on Commerce and Economic Development

January 18, 2017

Teaching Tomorrow's Leaders

As Vermont's only comprehensive research university, UVM is critically important to the education of Vermont's next generation and the economic well-being of our state.

- ✓ Over 4,200 enrolled Vermonters
- ✓ 42% of Vermont students attended UVM tuition free in 2016*
- ✓ due in part to the use of ½ of UVM's state appropriation for scholarships, supplemented with University funds and private donations

*This figure includes gift aid, athletic scholarships, and tuition remission.

UVM Graduates Get Jobs and Add to Vermont's “Brain Gain”

	2015-2016 Graduates
Percent employed or enrolled in graduate school 1-year after graduation	96%
<i>Of those employed*:</i>	
Percent of graduates employed in Vermont	36%
Percent of Vermonter graduates employed in Vermont	63%
Percent of Out-of-State graduates employed in Vermont	28%

* Overall employment/success rates are weighted by gender and college/school to compensate for uneven participation rates. Further breakdown of these rates includes 11% with missing job locations for Vermont graduates and 6% for out-of-state graduates.

UVM's Economic Impact in VT

Over 32,000 UVM alums live and work in Vermont

Largest employer in the state: 11,500 Vermonters employed by UVM and UVMCMC

\$138M in awarded outside research grants and contracts in 2016, with 95% of that funding coming from out-of-state sources

\$1.33B of direct and indirect economic activity to Vermont contributed by UVM every year, representing a **31:1 return on investment** from the state's appropriation to UVM

Research Impact in Vermont
